-
- E-mail address is optional, we will send fraud alerts to your email; **all other information is required.**
 - We do not currently charge a service fee for ATM card transactions. **The ATM owner will normally charge a fee that we do not control.**
 - **ATM Cards will only work for cash and inquiries at ATMs – they will not work point-of-sale (swiped at a register for a purchase). VISA Debit cards will work as point-of sales.**
 - ATM card issuance is subject to approval. Criteria for approval include but are not limited to: established membership; and a history of keeping other CU accounts current (no delinquent loans, negative share balances, or NSF transactions).
 - Approval normally takes 1 – 3 business days. Receipt of the card is by mail, normally 7 – 10 business days after **approval.**
 - An available balance amount given to you from our computer system may not include ATM transactions that you have made but that we have not posted. **We are not responsible for overdrawn accounts resulting from giving out an available balance that does not include unposted ATM transactions.**
 - An inquiry balance given to you from an ATM may not include in-person and recurring automated transactions by you that we have processed at the credit union but that we have not yet reported to our ATM processor. **We are not responsible for overdrawn accounts resulting from relying on an inquiry balance that does not include unreported in-person or automated transactions.**
 - **To activate all cards, and to choose a PIN call the credit union at 325-235-4319.**
